Rupert,
I have yet to receive any of the inorganic data that you said Cindy was going to provide. Have you received it yet?
Thanks,

Rupert,
Based upon my e-mail below, you can see we are still waiting for inorganic data from the lab. This is needed to populate the map you are requesting. I checked with **Ex. 4 - CBI** and he informed me of the rollout schedule for the validated data. See Table below.

Sample Week	Lab Validation	Final Validation (Project Level)
Week 1	3/2/12	3/14/12
Week 2	3/9/12	3/21/12
Week 3	3/16/12	3/28/12
Week 4	3/23/12	4/4/12

I also checked with him to see if there was any additional inorganic data that has been validated by the lab, but not yet uploaded into Scribe and he said no.

Please advise on how you want to proceed with the map. Do you want to generate the map with only the data we have now, or do you want to wait until we have all the data in hand?

Thanks,

5. HW11-P
6. HW16
7. HW16-P

27. HW57
28. HW57-P
29. HW58
30. HW59
